

*Delivered
Ceremony 1952*

31 March 1952

Dear Dr. Williams:

Thank you cordially for your letter of March 28, accepting my invitation to make the invocation at the unveiling ceremony on the 18th of May. I know that a great many of Miss Anthony's followers and friends, as well as those of Tom Paine, will be beholden to you for this service.

The ceremony will commence promptly at 2:30 in the afternoon, and will be concluded at about 4:15 or 4:30, when tea will be served to the participants in the ceremony and other distinguished guests. Academic robes will be worn, and as a Minister, I of course shall wear mine.

With renewed appreciation of your service to us, believe me,

Faithfully yours,

Ralph W. Sockman
